**Business Description:** We provide a family-centered, child-friendly home setting visitation center where families with children who have been separated, will have the opportunity to visit one another in a simulated home environment. The facility enhances the family visit due to the fact that the environment is warm, welcoming and very much like home. This setting will allow the family to comfortably sit, talk and visit with one another. Within this environment one of our staff members will always be close by, monitoring and evaluating the appropriateness of the interactions between the parents and children.

**Business Opportunities:** We currently have flexible, part-time openings available for visitation supervisors and drivers. If you are interested in applying, please contact us via phone or e-mail.
